FOREWORD

Each fall a new annual staff is confronted with the task of collecting and recording the memories of activities, organizations, and people during the school year. This year has been full of many and varied experiences.

The addition of new members to our student body has enabled us to enlarge our opportunities and activities. This experience has emphasized the need for cooperation and understanding between teachers and students.

For all at Adrian Public High School it's part of the educational encounter when everyone learns to appreciate the heritage of the past, to enjoy the triumphs and glories of the present, and to seek a good life for the future.

Gary Hoffer
Glen Hoffer

Crown Bearers: Jim Bauer and Debby Grussing

Homecoming preparation came to a climax Thursday, October 6, at the coronation ceremony. The High School Band played the processional as the Master of Ceremonies, Dale Peterburs began the program. Mike was crowned King by last year's Queen, Barb Tweet. Lowell Bruns then crowned Shirley as the new Queen. Following the crowning, LuAnn Knips and Cindy Mueller sang "Moments To Remember". We had a blazing bonfire and the traditional snakedance.

The following evening, the game with the Round Lake Thunderbirds was played under clear skies. The Dragons outplayed the Thunderbirds by a score of 38 to 6. Following the victory, the Homecoming Dance was held with "The Coats of Mail" providing the music.

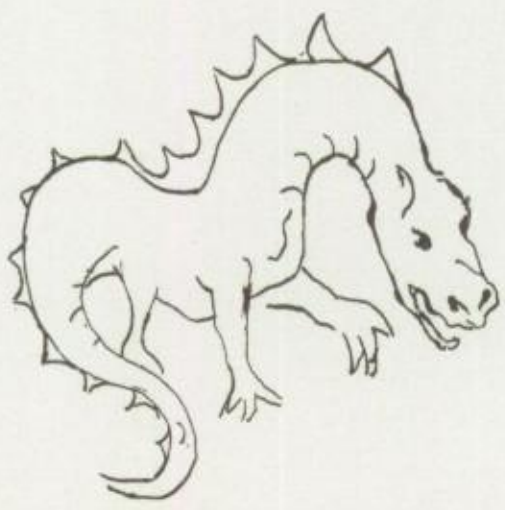
I proclaim a Dragon victory!



This year for the first time skits were given at homecoming. The 8th grade presented Dragons A-Go-Go. With our Coach giving his account of the Homecoming Game.

The junior class slammed our accident prone team in their interview skit.

The judge and jury of the senior class sentenced two more victims.

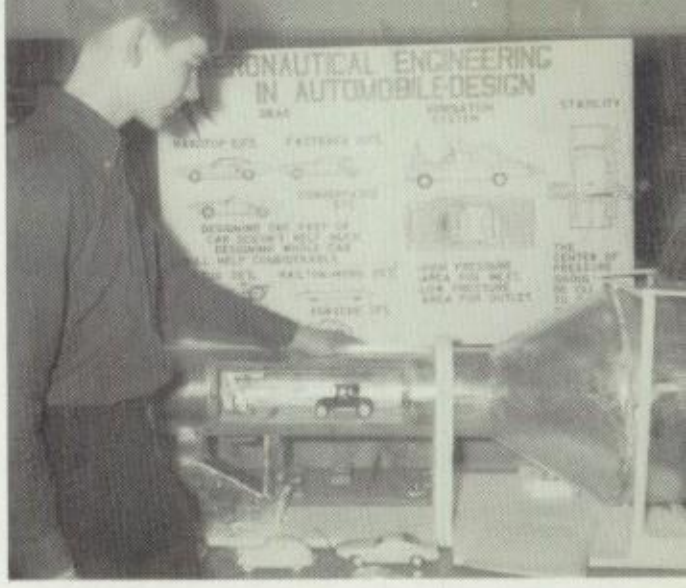
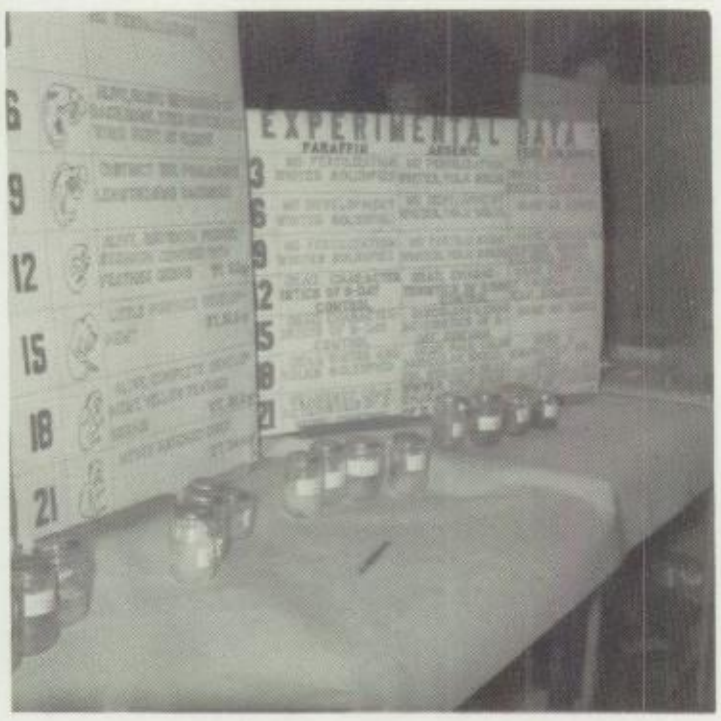
VALENTINES BALL

Every year the Student Council sponsors a Valentine's Ball. This year it was held on the evening of February 11th. Since Karen Hokeness could not attend, Mark Loosbrock crowned Anita Klinkenborg as the new queen. Leslie DeBoer, last year's princess, crowned Geralyn Recker as her successor. The Brass Tax provided the music for the dance following the crowning.

Alan Lonneman was the overall winner of the Science Fair, with his project on aeronautical engineering. As part of his project, he constructed a wind tunnel.

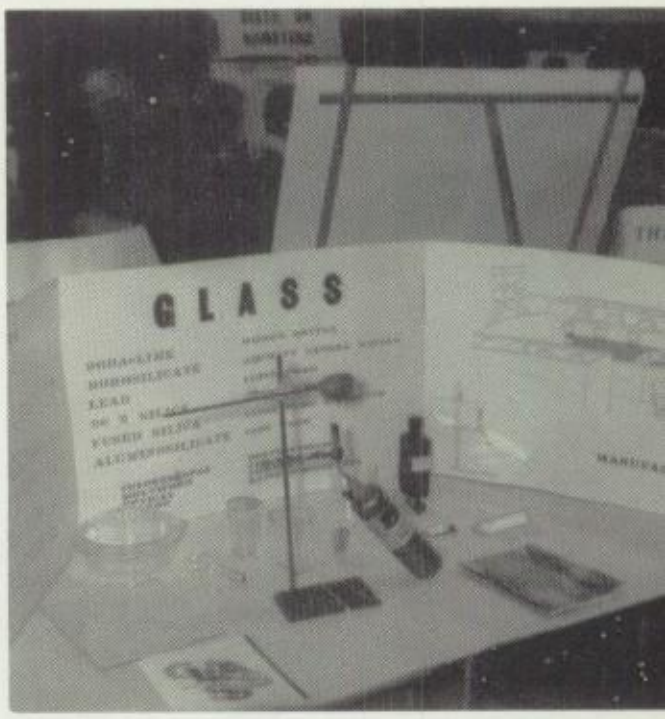


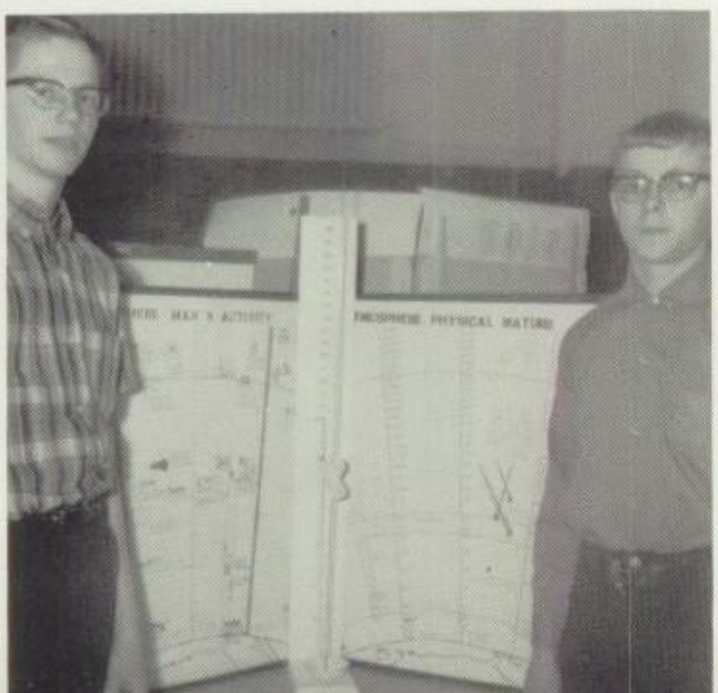


The medal in the Senior High Biology Division was won by Myron Kasch and Jane Lorang. They teamed up on a project concerning the effect of stimuli on a chick embryo.

SCIENCE FAIR

The properties of glass was the project undertaken by Glenn Moerke and Dale Peterburs. For their work, they received a medal in the Chemistry Division.





Lee Arends and Jim Knips won a medal in the Physics and Mathmatics Division for their project on the atmosphere.

Every year a Science Fair is held to give recognition for outstanding work in Science. It also emphasises the important role that Science plays in our daily lives.
